IMPULSE 

IMPULSE

Fabulous moments

Impulse is built for entertaining...

- RGB lights with chartplotter controller
- Underwater light synchronization

IMPULSE 

*'Happiness is at the same time what is best,
more beautiful and more pleasant.'*

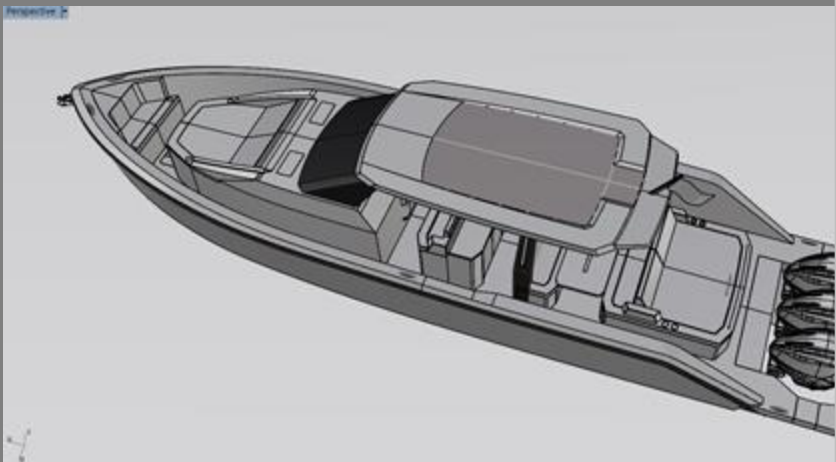

IMPULSE 

IMPULSE

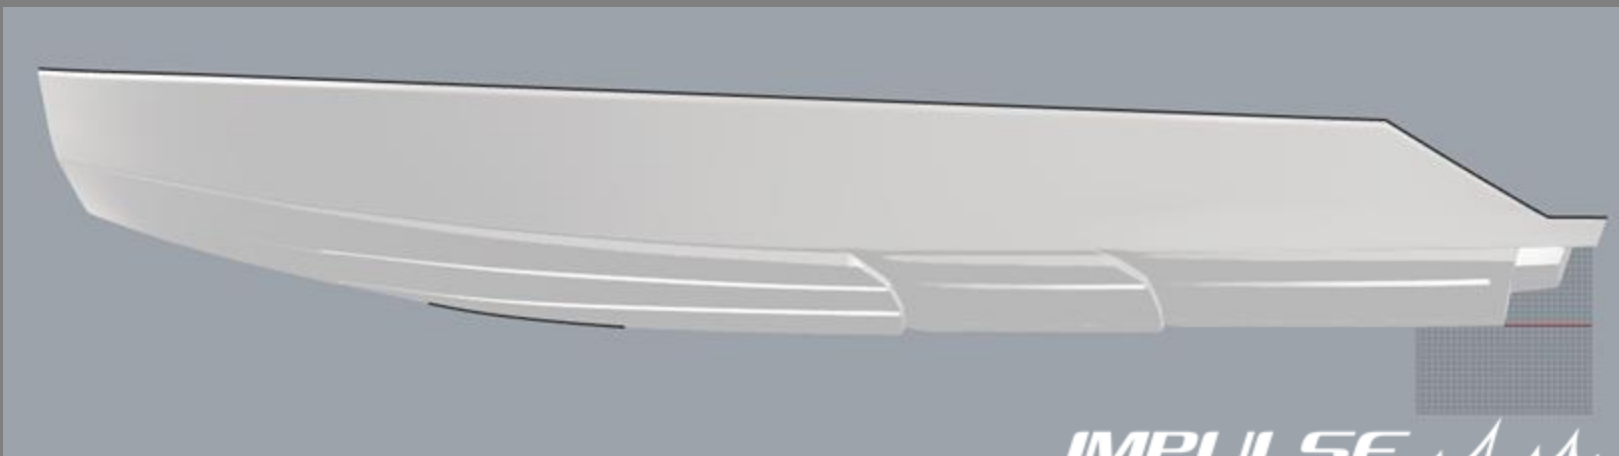

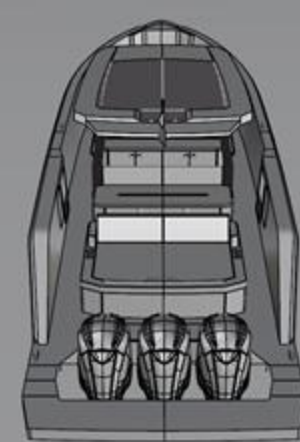

Technologie

Impulse was designed using powerful software

A hybrid shell to unite comfort and performance:

- Twin stepped hull offers maximum performance
- Sharp bow allows excellent passage at sea
- Hull shape protects from spray in offshore conditions

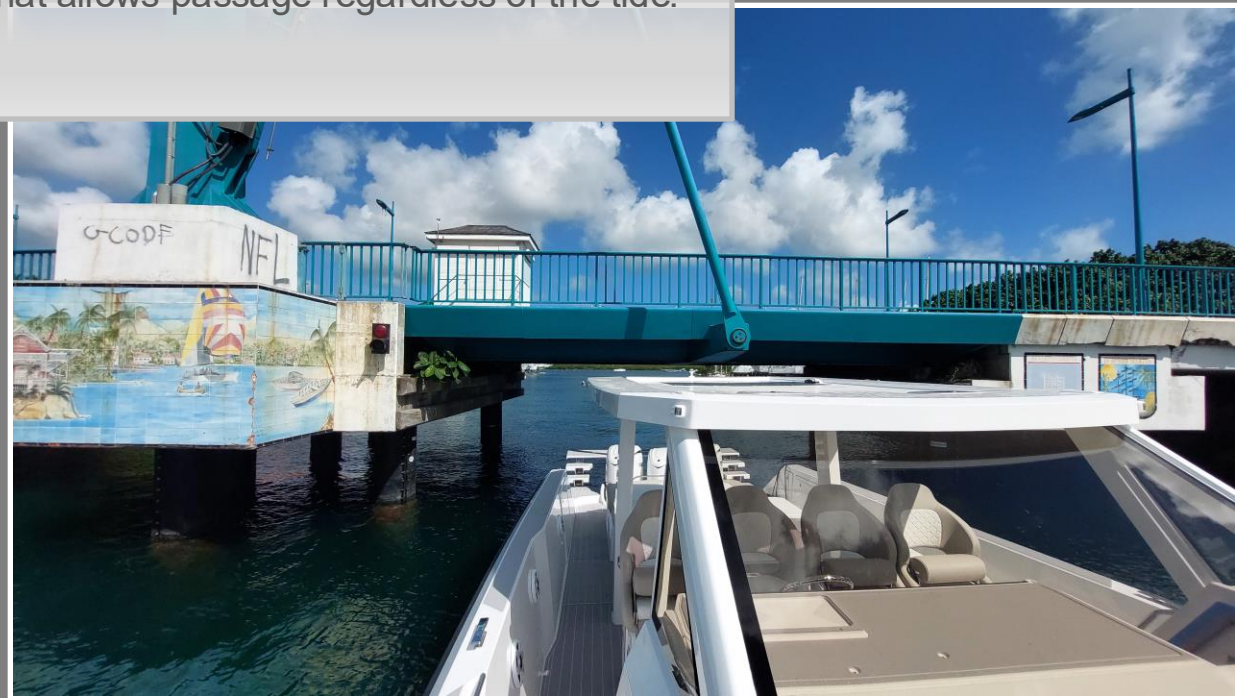

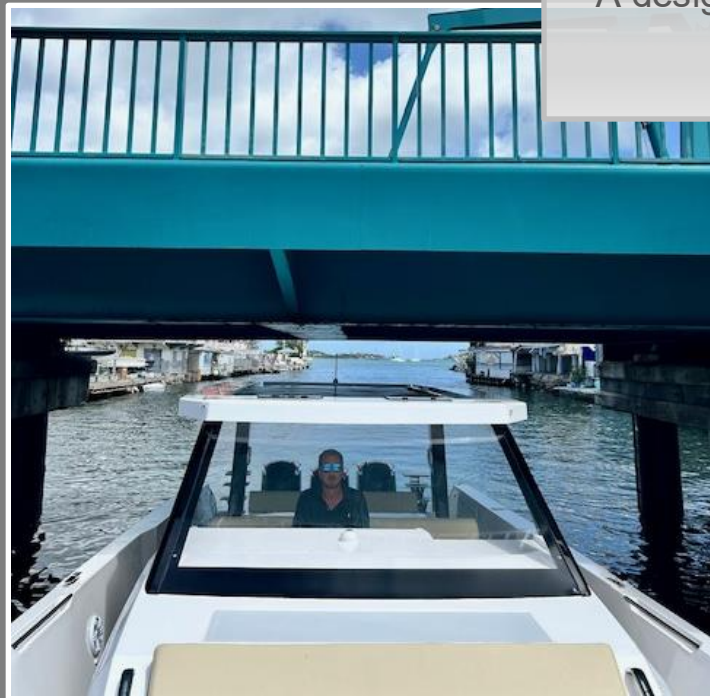

IMPULSE 

Avantage

Impulse 43 S fit all Saint martin bridges

A design that allows passage regardless of the tide.

IMPULSE
